

All Saints Catholic High School

HEADTEACHER: Mr A McGuinness

Dear Parent/Carer,

Welcome back to a new school year and for your children, Year 11 – a very important milestone in their lives.

I am delighted to invite you to our annual Year 11 Parents' Information Evening, which will take place on Thursday September 17th at 7:00pm. Unlike previous years however, I will not be able to welcome you in person in our magnificent Atrium. Circumstances dictate that this year's event will be a virtual experience and you will be welcoming my colleagues and me into your homes.

We hold this event at the start of every Year 11 so that we can provide you and your children with information about the summer 2021 examinations but more importantly, provide advice and guidance and outline some of the many ways that we will be offering your children support during this exciting year. This year, unlike past years, there have already been some announcements about the format and content of some of the summer examinations so it is very important that you join us on Thursday evening. We will ensure that we keep you informed throughout the year because we know that over the last four years, when All Saints outcomes have exceeded all previous years, this has only been possible when teachers, pupils and parents have worked together.

An 'invite' to this event will be sent to your child's All Saints emails address and this will contain a link that will allow you into the meeting. I would request that you click on this link a few minutes before seven o'clock on Thursday evening. We want to make a prompt start but at the same time we need a little lead in time should there be any technical issues. I envisage that the whole event will last for around 30 minutes.

I look forward to you seeing me on Thursday evening!

Kind regards and take care,

Miss A Cashen
Progress Leader Year 11
